

WELSCHRIESLING SYMPOSIUM 2026

Magnesium Efficiency, Genomics & Sustainable Viticulture

22 October 2026

Höhere Bundeslehranstalt und Bundesamt für Wein- und Obstbau (HBLA),
Wiener Straße 74, 3400 Klosterneuburg, Austria

Symposium Overview

Join leading researchers and experts to explore the latest advances in Welschriesling research, with a focus on:

- Mineral nutrition and plant physiology
- Genomics, epigenetics & transcriptomics
- Sustainable viticulture & vineyard management
- Vinification

Program Highlights

- Scientific presentations (international experts)
- Panel discussions & networking
- Knowledge transfer to practice
- Wine tasting

Organized by

University of Natural Resources and Life Sciences Vienna (BOKU)
HBLA Klosterneuburg

Target Audience

Researchers, Viticulturists, Breeders, Industry stakeholders

Registration & Project Information

Email: Cornelia.Eisenheld@weinobst.at
<https://intra-grape.at/>

Participation fee

30€ - Payment details will be provided upon registration.

TIME	PROGRAM
08:00 – 08:30	Registration & Welcome Coffee
08:30 – 09:00	Opening Session
09:00 – 10:45	Scientific Presentations (3 talks)
10:45 – 11:15	Coffee break
11:15 – 12:30	Scientific Presentations (4 talks)
12:30 – 14:00	Lunch Break
13:30 – 14:00	Wine tasting opportunity
14:00 - 15:00	Scientific Presentations (2 talks)
15:00 – 16:00	Presentations Vinification
16:00 – 16:20	Coffee break
16:20 – 17:00	Panel discussion
17:00 – 18:00	Tasting of varietal wines
